## ABOUT OPPEIN

Founded in 1994, OPPEIN is China's No.1 kitchen and customized home décor brand, and the world's largest cabinetry manufacturer. We design and manufacture high-quality kitchens, wardrobes, bespoke home furniture, bathroom products, interior doors, aluminum windows & doors and home furnishing, capable of offering one-stop home décor products and solutions. Output and sales of kitchen cabinet reached 830 thousand sets, ranking No.1 in the kitchen industry.

In 2021, OPPEIN's sales turnover reached USD 3.14 billion, harvesting its consecutive 28th years of growth. Output and sales of cabinets reached 6 million sets, ranking No.1 in the cabinetry industry. Our products have been exported to 118 countries and regions, and the total market value of OPPEIN exceeded 100 billion yuan (USD 15.3 billion) in March 2021.

In overseas markets, what sets us apart from our competitors is our Italy design, European quality, one-stop whole-house products & solutions, and reliable local services.

OPPEIN takes great pride in its extensive franchise distribution system. We have a productive showroom operation model and thoughtful support policies to help the franchisees win. Currently, we have a remarkable number of over 7,200 franchise showrooms worldwide to serve local retail businesses.

The global project business is another importance we attach to. We cooperate closely with builders, developers, contractors, and architects to develop different types of residential and commercial business; up to now, we have completed over 10,000 real estate projects around the globe, including some significant local landmark projects.

We achieve this through our unceasing striving for perfection, and the passion to satisfy an individual's needs for better home décor. Our vision is to make OPPEIN a modern, innovative company respected and loved by the people, held in the highest esteem in China, and emulated around the world.

Where there is home and love, there OPPEIN is.

## Dress Mirrors

A normal or smart mirror can be chosen for a hidden design, so the space is used efficiently.

A narrow edged framed mirror matches the decorative cover which prevents the clothes from reaching the tracks.

Door panels

Door panels

The door panels offer superior heat and moisture resistance. The formaldehyde emission is less than 1.5mg/L, and it complies with European E1 and California CARB standards. It is extremely durable and easy to care. Multiple finishes can be chosen to meet your requirements.

## Bar Handles

Bar handle designs have been growing in popularity, fuelled by an increasing demand for contemporary styles, minimalist looks and the need to maximise the space. We offer different types of recessed aluminium bar handles. Also, with a spectrum of colour options to choose from, we can easily create a handleless design to match your needs.

## Lights

Light strips

Glass shelf lights

Top panel lights

Different types of down lights, strip lights, shelf lights, drawer lights and inductive lights not only offer additional illumination, but also create a happy mood in your home. Our lights are harmonious with your space, and high quality LED strips or bulbs allow long service life and low energy consumption.

## Smart Accessories

Smart dressing tables

Smart hangers

Smart drawers

More and more smart elements have been added to a modern home. Smart accessories provide easy access to meet your needs for the modern life with a press of a button.

## Storage Accessories

Drawers

The clever design of these drawers means you can keep all your contents upright, accessible and tidy to ensure you get the best possible use of the cabinet space.

## Clothes Rails

The rails are used ideally for storing clothes, trousers and scarves. The colours of the design make it easy to match all kinds of finishes. The clothes can be arranged and accessed easily in the wardrobe.

## Metal Decoration

The handleless design, matched with metal decoration, makes it more elegant and upscale.

## Hidden Accessories

Folding stool

With good hidden effects and stable structure, hidden accessories don't take up too much space. Extend the space as needed, completely hide when not needed.
